

ONBOARDING WITH WHISTLE

FOR INBOUND
& OUTBOUND
CAMPAIGNS

OUR DATA TEAMS

validate the contact data as well as the best possible channels by which to reach them. We work within your systems and communicate openly so that you have full transparency.

OUR OPERATIONS TEAMS

set up the appropriate workflows to direct leads to the SDR team, as well as set up your CRM and dashboards to ensure that we can measure the effectiveness of our campaigns.

OUR MARKETING TEAMS

work with your teams to ensure we write clear and engaging messaging for use across phone, email and social.

OUR SDR MANAGEMENT TEAMS

train your SDRs and set up ongoing sessions with your team to ensure that we shorten the learning curve and align with each other.
